

AngusNOW Overview – Your Live Registration System

AngusNOW is the live Canadian Angus Association registration system. AngusNOW provides you with the tools to register animals, enter calving data, enter weights, transfer animals and much more from the comfort of your home! With AngusNOW you can receive registration numbers and transfer ownership instantly - no more waiting for your information to be processed.

1. Please contact your Canadian Angus Association to sign up for this service at registry@cdnangus.ca or 1-888-571-3580. **You will be unable to access AngusNOW until the office has set it up for you.**
 - a. **NOTE: you must have a valid email address for this service**
 - b. Once you have your account set up by the office you will receive an email inviting you to create an account and password. Please bookmark the website for future access.
 - i. When you create your account, your username will be your email address, and you will need to create a password that includes one capital letter, a number, and a special character (! & * \$)
2. If you already have an account, click [HERE](#) to login.
3. Once you are logged in you will see the landing page (below)

4. From the landing page you can navigate to:
 - a. Animals
 - b. Actions
 - c. Reports
 - d. Transactions
 - e. Member Details

5. Animals

a. Under the “Animals” tab you can view:

i. Inventory Overview

1. Use this tab to dispose and register animals, and add weights

ii. Pending Animals

1. Use this tab to view animals that are waiting to be registered

iii. Registered Animals

1. View your registered animals

iv. Non-Registered Animals

1. View your unregistered animals

INVENTORY OVERVIEW – register calves, add weights, dispose animals

1. Under your Inventory Overview you can view your herd inventory, number of progeny, and select data by year
2. Click on “Cow Inventory” to view your herd inventory for that year and calving season

Year	Season	Cow Inventory	Progeny	BW	WW	YW	Scan
2019	Spring	424	0	0	0	0	0
2018	Fall	1	0	0	0	0	0
2018	Spring	308	214	175	105	0	0
2017	Fall	1	0	0	0	0	0
2017	Spring	513	277	187	263	256	136
2016	Fall	1	0	0	0	0	0
2016	Spring	369	286	204	288	265	134
2015	Fall	1	0	0	0	0	0

3. After clicking on “Cow Inventory” you will be able to see all the cows for that calving season, and be able to update your calving information (see below)

Cow Inventory - Spring - 2019

You must ensure that you are in the Incomplete tab before you proceed

The Status of the cow will change (to either calved or disposed) when you complete the registration process

Incomplete		Complete			
Herd ID	Ident	Name	Date of Birth	Billed	Status
Tattoo	Registration Number	Registered name of the animal	Animal's Date of Birth	No	No action yet
				No	No action yet
				No	No action yet
				No	No action yet

4. To register a calf:

- Click on the cow you would like to register so that it is highlighted BLUE
- Then click on "register calf" located on the bottom left-hand side.

- Once you have done this a page allowing you to register the calf will appear (see below)
- Enter the appropriate information for the calf that you are registering

ENTERING WEIGHTS

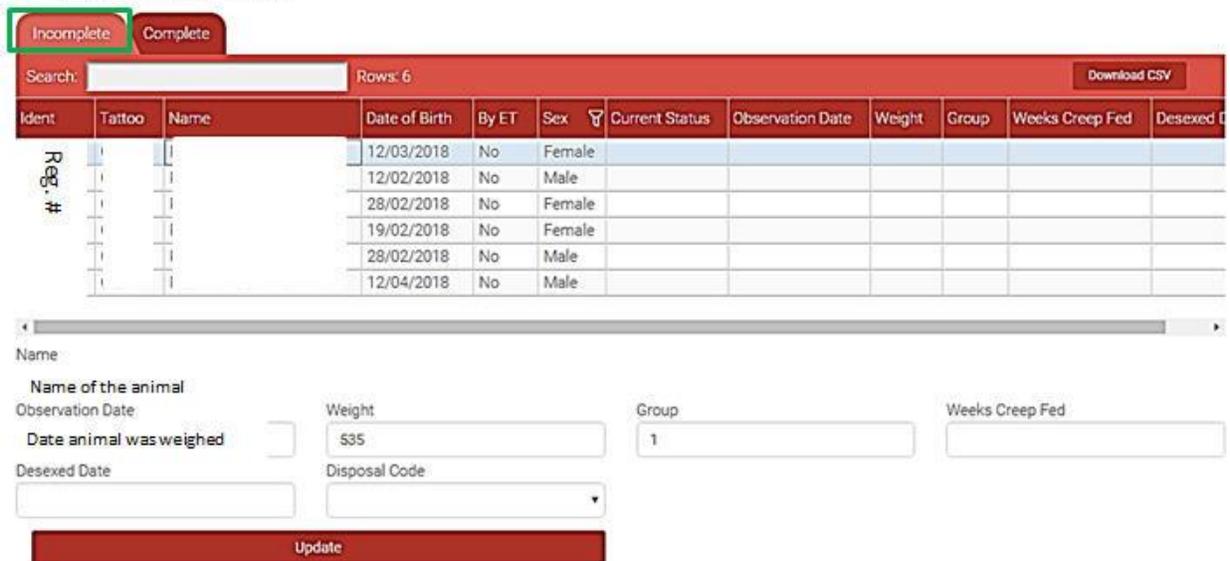

1. While in your “Inventory Overview” click on the weight (BW, WW, YW) that you would like to enter

Year	Season	Cow Inventory	Progeny	BW	WW	YW	Scan
2019	Spring	7	0	0	0	0	0
2018	Spring	6	5	6	0	0	0
2017	Spring	5	5	6	2	0	0

2. A new screen will appear that have information about the calves born in that season – in this case, because we have selected Weaning Weight (WW) for Spring 2018 the appropriate information will appear
3. Ensure that you are in the “Incomplete” tab

Weaning - Spring - 2018

Ident	Tattoo	Name	Date of Birth	By ET	Sex	Current Status	Observation Date	Weight	Group	Weeks Creep Fed	Desexed
Reg. #			12/03/2018	No	Female						
			12/02/2018	No	Male						
			28/02/2018	No	Female						
			19/02/2018	No	Female						
			28/02/2018	No	Male						
			12/04/2018	No	Male						

Name of the animal: _____

Observation Date: _____

Date animal was weighed: _____ Weight: 535

Desexed Date: _____ Disposal Code: _____

Group: 1 Weeks Creep Fed: _____

4. Select the animal that you want to enter information for (in this case we have selected the top one which is why it is blue)
5. Enter the information you wish to provide (weight, desexing date, disposal code, weeks creep fed, group)
6. The “Group” is the management group your calves were in between birth and weaning. For example, cows run in two separate herds over the summer would have Groups of 1 and 2.

7. Click "Update"
 - a. The information for that animal is now complete

RUN A REPORT

1. Click on "Reports"

2. Select the type of report or job you would like to run (see below)

Make a Report

Select Report or Job:

TRANSFER AN ANIMAL

4. Actions

- a. Under the “Actions” tab you can view:
 - i. Register Animal
 - ii. Animal Transfers
 - iii. Male List
 - iv. Female List
 - v. Buyers/Sellers

b. ANIMAL TRANSFERS

- c. To transfer an animal, click on the “Animal Transfers” tab. The below screen will appear:

The screenshot shows the 'Animal Transfers' form with the following elements and annotations:

- 1. Enter the date of the transfer:** A text box containing '02/12/2018'.
- 2. Select the “Buyer Details” tab:** A red button labeled 'Buyer Details' is highlighted with a green box.
- 3. Search for the individual you want to transfer to. You can search by Member ID#, Member Name, Postal Code or Province. You do NOT need all four to be able to search.** A text box with the value 'Includes your previous buyers' is highlighted.
- 4. The results from the search will appear in this area. Select the one you are transferring to. In this example, we will select “Angus Castleford”.** A table row with the following data is highlighted: Member ID: 1234567, Member Name: Angus Castleford, Postal Code: Z0Z 0Z0, Province/State: AB.
- 5.** A red button labeled 'Select Highlighted' is highlighted with a green box.

Member ID	Member Name	Postal Code	Province/State	Property Address
1234567	Angus Castleford	Z0Z 0Z0	AB	

- d. Once you have found the individual you want to transfer your animals to, click on their name, then click "Select Highlighted"
- e. After selecting the person you want to transfer to, the screen will change to the below:

Animal Transfers

Transfer Date: Transfer to: 5242710 - Michael G. Robbins

<input type="checkbox"/>		R	27/01/2018	Male	Full
<input type="checkbox"/>		R	28/02/2017	Female	Full
<input type="checkbox"/>		R	09/04/2017	Female	Full

Select Animals 0 of 172 rows selected

- g. Choose the animal(s) that you want to transfer by clicking the square check box

- h. Once you have checked all the animals you want to transfer, press “Select Animals”
- i. If your animals have been sold as “Serviced” (meaning they are sold as bred animals) you will need to enter Service details (see below). If they are not serviced, you can select “Complete Transfer”

- j. Once you have entered Service Details, click “Save” and then click “Complete Transfer”

PENDING TRANSACTIONS – Make a payment

1. In order to pay for your now-completed registrations, transfers or weights, you must pay for them
2. Go to the “Transactions” tab and click on “Pending Transactions”

3. Once you click here, a page will appear with the work you have completed, and the costs (see below)
