Program Requirements

All animals identified with a Canadian Angus tag must be the offspring of at least one registered Angus parent. Tags will be applied in a manner which complies with the Canadian Cattle Identification Agency's (CCIA) rules and regulations. The Canadian Angus Association (CAA) reserves the right to verify the program participants' use of tags through documentation and on-farm audits by CAA representatives. Misuse may result in losing the right to have additional cattle tagged and certified.

By signing below I agree I have read and accept all program requirements. I understand that I am responsible for the accuracy of the information I provide to the CAA and I release the CAA from any liability for errors or omissions in the information provided. By signing I also agree that my contact information can be provided to potential buyers of Angus tagged animals for the sole intention of increased marketing opportunities.

Signature: _____ Date: _____

I agree to all program requirements but do NOT wish to have my contact information provided to potential buyers of Angus Tagged animals.
