On June 6-9, 2019, the Alberta Angus Association will host the Canadian Angus National Convention in Drumheller, Alberta. The theme for the event this year is "Tradition. Passion. Success. Progress." The Convention will attract over 350 purebred and several commercial cattle producers from across Canada. Last year, our National Convention on Vancouver Island drew 225 national attendees and as well participation from international guests. It is marketed as an educational/professional development and networking event for cattle producers in Canada. The event draws a captive target audience who make purchasing decisions for their ranches and farms daily. The Farm and Ranch Trade Show will be held in the Field House of the Badlands Community Facility. We will be seeking out farm dealerships, equipment suppliers, semen companies, etc. to participate. There will also be tables available for Purebred breeders, western arts and crafts and more.

Hope to hear from you soon as space is limited. In the meantime, please do not hesitate to contact me at (403) 820-1830 or shilohcattle@netago.ca with any questions or for your bookings.
